

MANILA MART LLC - BACK OF HOUSE FOOD EXPEDITOR POSITION

Manila Mart was established in 1996 serving the community as a Filipino/Asian specialty grocery store. In 2011 we grew to serve the community not only as a grocery store, but also as a Filipino fast casual café. As our customer base continued to grow, we added and renovated our space in Spring 2020. Manila Mart & Cafe consciously aspires to lead in the movement of showcasing Filipino cuisine to our mainstream DC, Maryland, and Virginia Metropolitan's (DMV) comfort food culture. We are a family company built on cultural tradition, love for one another, and lots of personality. Our goal is to serve our Filipino-American community of families and food adventurers of the DMV, authentic Filipino food and products while sharing our vibrant culture and customs through one positive customer experience at a time. As a family owned and private-progressive operating culture, Manila Mart & Cafe offers the comforts of a home cooked meal, that's accessible and sure to satisfy with every bite. We are determined to maintain and exceed our reputation of good value for money, fresh and flavorful, quality food with a wide variety. Our employees are and continue to be our greatest asset. We want our employees to understand their connection to the customer's satisfaction and how what they do matters and is a reflection on us. Service with a smile is an integral part of our core values.
